AMENDMENT IN THE DRAWING:

The has submitted concurrently herewith a request for approval of drawing change in which a reference label "Controller for deflection/correction optical system" in Figure 1 has been changed to --Controller for astigmatism/focus correction system-- to be consistent with the description in the specification. A replacement sheet for the amended drawing has also been submitted herewith.

Appl. No. : 10/624,423
Filed : July 21, 2003

REMARKS

This election and amendment has been submitted in response to the restriction requirements for the instant case.

In this opportunity, the applicant has amended the drawing to correct the minor error in Figure 1.

Respectfully submitted,

MURAMATSU & ASSOCIATES
